The boys and girls cross country teams will be traveling the famous Van Cortlandt Park in the Bronx, NYC this weekend to compete in the largest high school meet in the nation, the Manhattan College H.S. Invitational. Over 350 teams and 10,000 runners will be racing over the 2.5 mile course (1.5 for freshman). We are hoping for better weather than last year's monsoon. The team is ready and the runners are excited to compete against the best in the Northeast.
